*"... in your hearts honor  
Christ the Lord as holy,  
always being prepared  
to make a defense to  
anyone who asks you  
for a reason for the hope  
that is in you; yet do it  
with gentleness and  
respect,"*

1Pe 3:15

Just as in the days of the early church, Apologetics is a skill that is becoming increasingly essential for Christians committed to fulfilling the great commission. This workshop is an exciting day of learning and practice for Christian parents and children of all ages. Workshops will be offered by veteran apologists including Brad McMurray (Elder of an HOFCC plant in Grant's Pass, OR), Kevin Williamson (former missionary to Uzbekistan), and Alan and Gini Winslow (leaders of apologetics in the Portland area for the past seven years). Come and learn better how to have a ready answer for those who ask.

*Imagine if we started (in our homes and churches) raising generations of children who stood uncompromisingly on the Word of God, knew how to defend the Christian faith, could answer the skeptical questions of this age, and had a fervor to share the gospel from the authority of God's Word with whomever they met! This could change the world. – Ken Ham in Already Gone*
