

## Permissions and Acknowledgement for the OCEANetwork Virtual Homeschool Speech Contest

Parents must read and agree to the statements below before submitting any content for the OCEANetwork Virtual Homeschool Speech Contest.

-----

I give my child permission to participate in the OCEANetwork Virtual Homeschool Speech Contest.

I grant permission for OCEANetwork to use my child's submitted video for the contest. This includes posting the presentation video as an \*unlisted video on the OCEANetwork YouTube channel and embedding it on the speech contest page on the OCEANetwork web site for public viewing.

I acknowledge that OCEANetwork will only include my child's first name and grade in any public presentation of their video, and that I am solely responsible for any personally identifiable information included in the video itself.

OCEANetwork has permission to use the email provided for communications about the speech contest event. They also have permission to use the mailing address provided to send the participation ribbon and any prizes won.

If you have any questions or concerns, please contact [meyers@oceanetwork.org](mailto:meyers@oceanetwork.org).

*\* An "unlisted video" means a video that is hosted on OCEANetwork's YouTube page but is only viewable to those who have been directly given the link or who watch the video on the OCEANetwork page where the video is embedded. In other words, people can't find the video by searching YouTube.*
